Membership Directory, National Conference of Social Work

The strength of the National Conference of Social Work is in its membership. Those persons and organizations throughout the country and some in foreign lands who support the Conference with their membership fees, who participate in its committee work, who serve as officers, who contribute to the program of the annual meeting—these make the Conference what it is. With the issuing therefore of the annual Membership Directory it is appropriate to again give special recognition to those who through the years have continuously supported the Conference through membership. At the same time let us express our appreciation to those who have been members but for various reasons have not maintained their membership continuously.

Many new names will be found in the list this year. Welcome to the Conference family. We shall also miss the names of many who have dropped out and a few of the leaders who have passed on leaving behind an example of courage and service. They will be missed from our councils.

Membership in the Conference is open to all who wish to become members—individuals and agencies, public and private, professional and lay. The Conference is the one all-inclusive organization of social work and citizens interested in the social work of the community. Its membership represents a cross-section of all of these interests.

Finally, despite all possible efforts in the office to have the name, address and affiliation accurate, mistakes will creep in. Sometimes positions and addresses have changed and the new address has not been sent to the Conference office. It will be a great help if all members of the Conference notify the office at once of any change in their affiliation or address. If mistakes are found herein, please let us know at once.

THE National Conference of Social Work appreciates the support and loyalty of each of its members. It now expresses its special gratitude to the 513 members who for twenty years or more have continuously maintained not only their interest but their support through membership.

Membership Classes

Active—\$5.00. This is the usual class for personal members. (If you do not wish the Proceedings, the fee is \$3.00.)

Sustaining—\$10.00. This class is designed for individuals who wish to share to a greater extent in the financial support of the Conference and for smaller agencies.

Institutional—\$25.00. This class is reserved solely for agencies, organizations, and institutions.

Contributing—\$25.00 or more. This class of membership is for individuals contributing \$25.00 or more annually and for such organizations as may contribute any sum in excess of the institutional membership fee and elect to be classed as a contributing member.

Members receive:

1. The Conference "Proceedings"—a book of about 600 pages giving a careful selection of papers delivered at the annual meeting. Regularly sells for \$3.00.
2. The Conference Bulletin—issued quarterly, giving news of the Conference, preliminary programs, summarized reports of the annual meeting, and annual membership list.
3. At the annual meeting the attendance fee (for local expenses) is \$1.00 for members but \$3.00 for non-members who secure none of the privileges of membership. Agencies having institutional membership may register five members of their boards or staffs; those with sustaining membership may register two persons, in each case these persons pay only the \$1.00 attendance fee.
4. The right to hold office and vote for officers and section committee members, Conference policies, etc. The vote for officers is by mail. Every member may vote regardless of his attendance at the annual business meeting. The right to vote begins with the second year of continuous membership.
